#### INDEPENDENT AUDITOR'S REPORT

Board of Education Unified School District No. 270 Plainville, KS 67663

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Unified School District No. 270, Plainville, Kansas as of and for the year ended June 30, 2017 and the related notes to the financial statement.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the District on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Board of Education Unified School District No. 270 Page Two

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

#### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Unified School District No. 270, Plainville, Kansas as of June 30, 2017, or changes in financial position and cash flows for the year then ended.

#### Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Unified School District No. 270, Plainville, Kansas, as of June 30, 2017, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of *Kansas Municipal Audit and Accounting Guide* described in Note 1.

#### Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, summary of regulatory basis receipts and disbursements – agency funds and schedule of regulatory basis receipts, expenditures and unencumbered cash – District Activity Funds (Schedules 1, 2, 3 and 4 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement taken as a whole, on the basis of accounting described in Note 1.

# UNIFIED SCHOOL DISTRICT NO. 270 Plainville, Kansas NOTES TO FINANCIAL STATEMENTS June 30, 2017

Page One

#### 1. Summary of Significant Accounting Policies

#### **Reporting Entity**

Unified School District No. 270, Plainville, Kansas is a municipal corporation governed by an elected sevenmember board of education. The regulatory financial statement presents Unified School District No. 270 (the District) but does not include its related municipal entity. The related municipal entity is as follows:

<u>Community Recreation Commission</u> --The Recreation Commission oversees recreational activities. The Recreation Commission operates as a separate governing body appointed by the District, but U.S.D. No. 270 levies the taxes for the Commission and the Commission has only the powers granted by statute, K.S.A. 12-1928. The Commission cannot purchase real property, but can acquire real property by gift.

#### **Regulatory Basis Fund Types**

*General Fund*—the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

**Special Purpose Fund**—used to account for the proceeds of specific tax levies and other specific regulatory revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

**Bond and Interest Fund**—used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project Funds—used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

**Trust Fund**—funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

**Agency Fund**—funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

## Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

#### 1. Summary of Significant Accounting Policies (Cont.)

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the regulatory basis of accounting.

#### **Budgetary Information**

Kansas statutes require that an annual operating budget be legally adopted for the general funds, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1.
- 2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulator receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital projects funds, trust funds, and the following special purpose funds:

Gifts and Grants Fund
Textbook and Student Material Revolving Fund
Contingency Reserve Fund
Student Incentive Fund
Hrabe Memorial Scholarship Fund
Memorial Fund
Federal Funds
District Activity Funds

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body

#### 2. Deposits and Investments

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk - deposits. Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2017.

At June 30, 2017 the District's carrying amount of the deposits, including certificates of deposit, was \$2,135,698. The bank balance was \$3,249,283. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, \$462,265 was covered by FDIC insurance and \$2,787,018 was collateralized with securities held by the pledging financial institution's agents in the District's name.

Custodial credit risk - investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

#### 3. Claims and Judgments

The District participates in federal and state programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the District may be required to reimburse the grantor government. As of the date of this report, grant expenditures have not been audited but the District believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on the individual governmental funds or the overall position of the District.

The District is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; injuries to employees and natural disasters. The District has purchased commercial insurance to cover these risks. There have been no significant reductions in insurance coverage from the prior year and there were no settlements that exceeded insurance coverage in the past three years.

#### 4. In-Substance Receipt in Transit

The District received \$173,418 in the General Fund and \$15,261 in the Supplemental General Fund subsequent to June 30, 2017 and as required by K.S.A. 72-6417 and 72-6434 the receipts were recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2017.

#### 5. Compliance with Kansas Statutes

- a. The District had negative unencumbered cash in the Title I FY 15-16 Fund, Title I FY16-17 Fund and the Title II FY 15-16 Fund. K.S.A. 12-1664 provides an exception from the cash basis law for federal funds spent with the expectation of monies to be reimbursed to the District under condition for the grant.
- b. K.S.A. 72-6760 requires that no expenditures involving an amount greater than \$20,000 for construction, reconstruction or remodeling or for the purchase of materials, goods or wares shall be made by the board of education of any school district except upon sealed proposals, and to the lowest responsible bidder. The district purchased football uniforms in the amount of \$20,804 that did not comply with this statute.

The District was not aware of any other noncompliance with Kansas statutes.

#### 6. Interfund Transfers

Operating transfers were as follows:

#### 7. Property Taxes

Property taxes are levied November 1st of the calendar year. A lien is placed on the property when the taxes are levied. The taxes are due 1/2 on December 20th and 1/2 the following May 10th. Any taxes unpaid at the due dates are considered delinquent. Collection of current year property tax by the County Treasurer is not completed, apportioned nor distributed to the various subdivisions until the succeeding year: such procedure being in conformity with governing state statutes. Consequently, current year property taxes receivable are not available as a resource that can be used to finance the current year operation of the District and therefore are not susceptible to accrual.

It is not practicable to apportion delinquent taxes held by the County Treasurer at the end of the audit period and, further, the amounts thereof are not material to the financial statements taken as a whole.

#### 8. Qualified Zone Academy Bonds (QZAB)

The District entered into a lease purchase agreement on October 1, 2009 with the First State Bank, for the financing of improvements to the District. The District will pay First State Bank \$136,990 a year for a period of ten years. The payments are put into an account with First State Bank where interest is earned on the account balance. The District is expected to make payments totaling \$1,369,000 and the interest earned should total \$130,100 at the end of the ten years. When the First State Bank has received a total of \$1,500,000, the bonds will be paid off. Once the bonds are paid off the lease will terminate.

#### 9. Defined Benefit Pension Plan

#### General Information about the Plan

**Plan Description** - The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issue a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100; Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions - K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate of 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate through March 31, 2016 with a 0% moratorium until June 30, 2017 for Death and Disability Program) and the statutory contribution rate was 16.00% and 10.91%, respectively, for the fiscal year ended June 30, 2016. The actuarially determined employer contribution rate and the statutory contribution rate was 16.03% and 10.81%, respectively, for the fiscal year ended June 30, 2017. Per 2016 House Substitute Bill 161, Section 98(a)(1), state general fund and expanded lottery act revenue funds for employer contributions to KPERS were deferred. The amount deferred for school contributions was \$92,917,091.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts to the statutory contribution rate, which totaled \$187,453 for the year ended June 30, 2017.

#### **Net Pension Liability**

At June 30, 2016, the District's proportionate share of the collective net pension liability reported by KPERS was \$3,477,342. The net pension liability was measured as of June 30, 2016, and the total pension used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2015, which was rolled forward to June 30, 2016. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2015. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, the liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

#### 10. Other Long-Term Obligations from Operations

#### **Other Post Employment Benefits**

As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in these financial statements.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

#### **Early Retirement Incentive**

The District provides an early retirement program for certain eligible employees who have been with the District for ten years or more. A single payment in the amount of \$3,000 will be made if the employee had met retirement requirements as outlined by KPERS and given written notice by February 1<sup>st</sup>. During the year ended June 30, 2017 no benefits were paid out.

Another part of the early retirement program allows for payment of unused sick leave days base on the following schedule:

10-15 Years 25% of a substitutes' pay 16-20 Years 50% of a substitutes' pay 21 Years and over 75% of a substitutes' pay

This benefit can be taken as a lump sum or as monthly payments on a health insurance policy carried by the District until the retiree reaches Medicare eligibility age. During the year ended June 30, 2017 no benefits were paid out.

#### **Other Employee Benefits**

#### **Vacation Pay**

A maximum of 12 vacation days are granted during each year during the first 15 years of employment for all 12 month employees. Those employees will earn one vacation day per month up to a maximum of 12 at any one time. New employees will accrue vacation days beginning with the first completed month of employment but cannot use any during the first six months of employment. After 15 consecutive years of consecutive service, non-certified 12 month personnel can earn up to 15 days of vacation per year. Vacation day cannot be accrued beyond the allotted days per year.

#### **Sick Leave**

Each staff member shall receive one day per month of sick leave benefits according to their work schedule at a maximum of 8 hours per day. An employee who works from August 1 through June 15 will receive 10½ days. Sick leave days may accumulate to 60 days.

#### 11. Advance Refunding

On July 15, 2014, the District issued \$2,265,000 of General Obligation Refunding Bonds, Series 2014. The bonds consist of serial bonds bearing various fixed rates ranging from 2.0% to 3.25% with annual maturities from September 1, 2015 to September 1, 2026.

The net proceeds of \$2,335,535 (after issuance costs of \$21,650, plus premium of \$92,185) were used to advance refund General Obligation Bonds, Series 2006-A with a total principal amount of \$2,145,000 with interest rates ranging from 4.05% to 4.5%.

The net proceeds were used to purchase U.S. government securities. Those securities were deposited into an irrevocable trust with an escrow agent to provide for future debt service payments on the refunded bonds. As a result, the refundable bonds are considered to be defeased, and the related liability for the bonds has been removed from the Districts debt schedule.

The advance refunding was done to take advantage of lower interest rates with an approximate savings to the District of \$77,169.

#### 12. Subsequent Events

Management has evaluated the effects on the financial statements of subsequent events occurring through the date of this report, which is the date at which the financial statements were available to be issued.
